Dean -

I have received the Request for Bond Release for the Gypsite Mine on February 22, 2016. Based on a MOU we have with the landowners, I am responsible to receive written concurrence from the landowner (s) before we may release the bond held. I need to get a bond release from both SITLA and the BLM. **Do you want to receive the bond in 2 phases or in 1 phase?**

Typically the BLM take longer to respond to the release request. Please let me know if you want the bond release for SITLA at this time.

Give me a call if you have any questions - thx-lah

Hi Leslie

Hope all is well in your world.

Yes, we would like the bond release in two phases.

Does our side need to send anything else to the BLM relative to getting their approval on release of the bond?

Thank you for your help
